The largest selection of High Quality Decorative Glass Films

Established in 2018, Glass Films are set up to support the specification industry in supplying materials related to the decoration, protection and enhancement of glass walls.

As the EMEA distributor of Solyx® & Simglas® decorative window films, we have the largest selection of high quality decorative glass films.

Our business is supported by an excellent service and support team who are on hand to discuss directly any aspect of your potential purchase giving you the confidence to choose Glass Films for any of your glazing enhancement requirements.

We look forward to working with you soon!

If you have any questions, please don't hesitate to get in touch by phone on **+44 (0) 800 970 6366** or email at **sales@glassfilms.eu**.
