SOLARTEK'S NEUTRAL RANGE

SolarTek's Neutral range is available in a Dark, Medium and Light grades.

- SolarTek's Neutral range of Window Film is one of the most popular on the commercial and residential market today.
- It has been designed to blend in well with any interior décor and not to interfere with the natural views outside the window.
- When applied it is less apparent as it does not give a mirrored finish it simply tints the glass whilst still rejecting heat and glare.
- They protect interior furnishing by cutting out 99% of the harmful Ultra Violet rays reducing the risk of fading on all your belongings including expensive paintings, carpets, curtains and furniture.
- This range along with our Ultra Performance range make up 90% of the installations we carry out on glass conservatory roofs throughout the United Kingdom and Europe.

- Not mirrored finish just tinted.
- Cuts out 99% UV.
- Reduces Fading.
- 10 Year manufacturer's backed warranty when installed by SolarTek.
- Scratch Resistant Coating.
